Sonja, Shalayne and A&K

Thank you so much for praying for us as we went to Azerbaijan to run the children's program for central Asian workers. It was a beautiful time of fellowship and prayer with people who are passionate about sharing the word in their day to day lives, whether it's with their mechanic or neighbor. It was a gift to see the vibrant faith of the children, and served as a reminder to be dedicated in prayer for these children as they grow up overseas!

For the families:

For protection for their children and that they would grow up loving Jesus more than anything else
For wisdom for parents choosing to put their children in the local school or to homeschool

For A&K family:

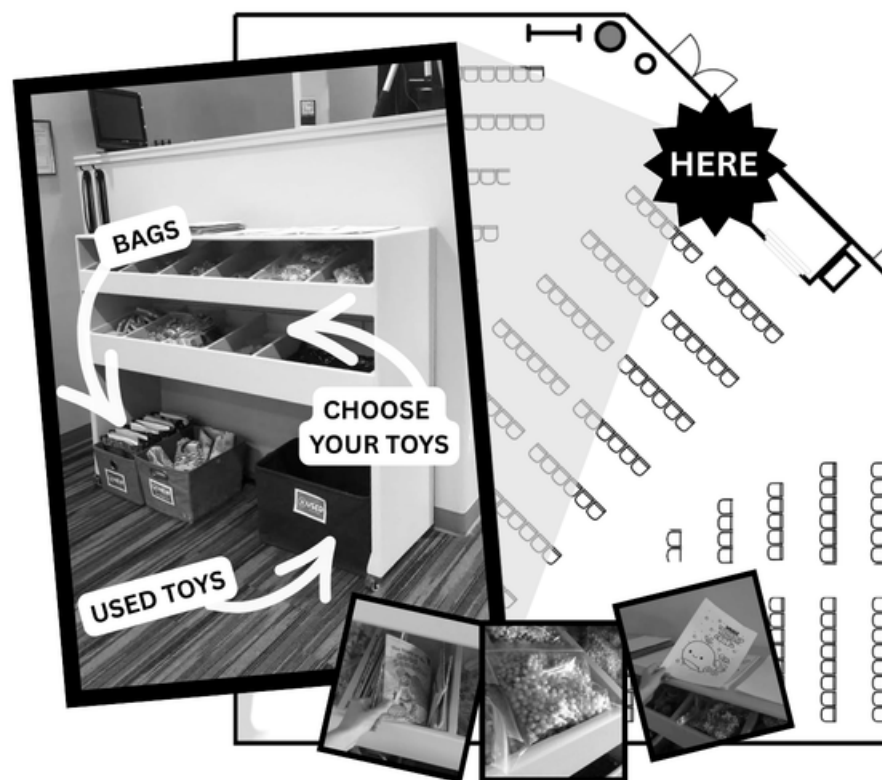

For prayer, you can pray that the girls would settle in well to school (and with it, friends, language, and culture again), that A and K would be able to jump back into the target language, even be for their language-intensive season in the winter. You can also pray that the Lord would bring them people who are hungry for him!
