## Reflection Questions on Sermon

- Have you ever find yourself in a time where you where doing what you didn't want to and not doing what you knew was right? How did that make you feel? What did you do about it?
- In what ways/or in what times do you find yourself falling into believing that it's up to you to appease God?
- Do you find that you really believe the Gospel is good news for people? Why or why not?

## UP glorifying God;

**"let all the peoples praise You, O God!" Psalm 67:3**

### Praise items

- thank You God for the gift of the law and Your holy commandments which show us our need for Jesus (Romans 7:12)
- Lord, we praise You for the gifts of the Spirit that You've given us to bring You glory and for our common good. May it be so! (1 Corinthians 12:7)

## IN interceding for one another;

**"be alert and always keep on praying for all the Lord's people" Ephesians 6:18**

### Special Needs

- Jesus, continue to reveal through the law the sin that lives within me. Well up within me gratitude for Your deliverance from this body of death (Romans 7:17-25)
- Spirit of God, lead me and empower me to take up my cross and follow Jesus that I might lose my life for the sake of Christ and, in so doing, find the life that is truly life (Matthew 10:38-39)

### Resurrection Family

- Jacobb
- Landon & Amy with Ezekiel, Elijah, and Zoe
- Randy & Paige with Thea and Benjamin

## OUT to needs beyond

**"petitions, prayers, intercession and thanksgiving be made for all people" 1 Timothy 2:1**

- as many in our country take time to vacation, spending time in Your creation, may all the works in the earth declare Your mighty works and greatness Oh God. (Psalm 145:11)
- Lord of Hosts, we pray for Your people who are under threat to be given faith to trust that You will deliver them on that day (Zechariah 9:15-16)

## Partner in Ministry and Missions

### Canadian Lutheran Bible Institute - Camrose

The Canadian Lutheran Bible Institute is looking toward the new year preparing for the students who have plans to attend their immersive discipleship and leadership programs, as well as those completing their internship program and their fourth-year bachelor's degree in Christian studies and Theological studies. CLBI also offers a unique opportunity for students attending University or College. Taking advantage of the Community Student Program, students who are enrolled in classes separate from what is found at CLBI, can receive all the benefits of life at the CLBI dorms. Join the CLBI students in worship, discipleship and community while completing your university studies.

With all of that said, CLBI would like to request that supporters be in prayer for more students. If you know of any student who could benefit from a year at CLBI, spreading the word would also be a great help. For those who are alumni, share your experiences with the younger generations and encourage them to give CLBI a try. Having more students come is CLBI's main concern right now.

CLBI is still about \$42,128 short of budgeted donation income for the 2025-2026 year, very thankful for the provision of donations that have come in the past few weeks. Please be in prayer for continued financial support. With preparations for the 2026-2027 year, there are a few renovations that will help CLBI address the needs and realities of their students. As you pray for CLBI students who are planning and those who God will bring forward, please keep their renovations, building maintenance, financial needs and their staff in your prayers as well.
