Partners in Ministry and Missions

Fraser Family - LBIM Japan

Thank you! We are very thankful to have the continued prayer support of Resurrection Church.

As with last year we would love continued prayer over our language study and acquisition. We also will begin participating in our church's ministries and trying out new strategies to reach our community here in Sendai.

Our family will be moving this year so if you would be willing to pray about the moving process as well as our family's adjustment to a new neighborhood, we would really appreciate that.

Please pray for continued health both physically and emotionally as we enter the second half of our first term in Japan. That God would continue to give us stamina and passion for the ministry we are doing. We are so thankful for how much God has blessed us so far and we look forward with joy to the years to come.
