Reflection Questions on Sermon

What does it mean to love Jesus more than family?

What did it mean to the disciples when they first heard the phrase, "Pick up your cross and follow me?"

Why is there no small task done in Jesus name?

Where has Jesus placed you to be able to "share even a cup of cold water" to someone overlooked?

UP glorifying God;

"let all the peoples praise You, O God!" Psalm 67:3

Praise items

- Lord, You are our refuge and our shelter, we praise You that we may abide in shadow of the Almighty (Psalm 91:1-2)
- thank You that You deliver us and protect us because we know Your name, that You answer us when we call and are with us in trouble (Psalm 91:14-15)

IN interceding for one another;

"be alert and always keep on praying for all the Lord's people" Ephesians 6:18

Special Needs

- Jesus, we pray that You would put a stirring within us for Your Word to go out even in the face of opposition that we'd have the boldness to proclaim the truth of the gospel (Jeremiah 20:9)
- Spirit of God, let our bodies, which were instruments of sin, now be instruments of righteousness, let us present ourselves in this way before You since we have been brought from death to life (Romans 6:12-14)

Resurrection Family

OUT to needs beyond

"petitions, prayers, intercession and thanksgiving be made for all people" 1 Timothy 2:1

- Lord, we pray for students that are wrapping up school over these next weeks that You would bless them in their studies and that You would protect them over the summer drawing them to Yourself
- Father, we pray that You'd be with Your people around the world who are persecuted for their faith in Christ, give them endurance and boldness to proclaim Christ before others that more people may be reconciled to God

Canadian Lutheran Bible Institute - Camrose

The Canadian Lutheran Bible Institute is looking toward the new year preparing for the students who have plans to attend their immersive discipleship and leadership programs, as well as those completing their internship program and their fourth-year bachelor's degree in Christian studies and Theological studies. CLBI also offers a unique opportunity for students attending University or College. Taking advantage of the Community Student Program, students who are enrolled in classes separate from what is found at CLBI, can receive all the benefits of life at the CLBI dorms. Join the CLBI students in worship, discipleship and community while completing your university studies.

With all of that said, CLBI would like to request that supporters be in prayer for more students. If you know of any student who could benefit from a year at CLBI, spreading the word would also be a great help. For those who are alumni, share your experiences with the younger generations and encourage them to give CLBI a try. Having more students come is CLBI's main concern right now.

CLBI is still about \$42,128 short of budgeted donation income for the 2025-2026 year, very thankful for the provision of donations that have come in the past few weeks. Please be in prayer for continued financial support. With preparations for the 2026-2027 year, there are a few renovations that will help CLBI address the needs and realities of their students. As you pray for CLBI students who are planning and those who God will bring forward, please keep their renovations, building maintenance, financial needs and their staff in your prayers as well.

Last week's BBQ couldn't have been possible without all our amazing volunteers who worked on all the details. Thank You!

We are looking for more amazing volunteers like YOU to help with future events! If you enjoy working with people and food, we have a place for you.
