Hosches - LBIM

We are thankful for your support & encouragement. It is such a blessing to know we have people praying for us and coming alongside us in God's work. We moved to a new house this fall and also started attending a church in Miaoli after our church in Taichung closed it's door's last year. We are still adjusting to these big changes but we are thankful for God's faithfulness through each transition and season of life.

Ben taught a class for laypeople in the fall as well and is hoping to have opportunities to teach more in the future. I have been able to volunteer with kids activities at school more this year, chaperoning field trips and helping coach Emery's soccer team. The kids are all growing! Please pray for God's Word to be memorized into their hearts and minds as they go to school and to help them be witnesses to their classmates. Pray God would help us build relationships with new neighbors and maintain our relationships with our old neighbors as well. We pray that the church in Canada would be healthy and for all of you as you serve your communities.

Christ's love,
The Hosches.
